**Commissioner for Patents**

The reply filed on April 4, 2005 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): applicant has added a new species claim, claim 5 where only generic claims were previous presented. As stated in MPEP section 809.02(d): "If after an action on only generic claims with no restriction requirement, applicant presents species claims to more than one species of the invention, he or she must at that time indicate an election of a single species." Thus, to be considered fully responsive, applicant is required to select a specific species from claim 5. See 37 CFR 1.111. Since the above- mentioned reply appears to be bona fide, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
